

COMPANY PROFILE

AVAX PLUS

EXPORT MANAGEMENT COMPANY (EMC)

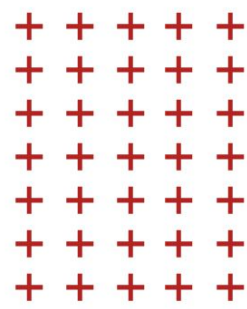

INTRODUCTION

AvaxPlus is a leading Export Management Company (EMC) headquartered in the dynamic city of Mersin, Turkey. With a solid foundation and a commitment to excellence, we have established ourselves as a trusted partner in the global trade arena. Our focus is on providing high-quality products and ensuring seamless export processes for our clients worldwide.

OUR EXPERTISE

At Avax Plus, we specialize in exporting a diverse range of products tailored to various industries and customer needs. Our extensive experience in the export business particularly in the aluminum sector, has earned us a reputation for reliability and quality. To date, we have successfully exported tons of **aluminum, Iron and Caustic Soda (Sodium Hydroxide)** further solidifying our position as a trusted supplier in this market.

Aluminum Products:

- **Aluminum Billet:** We have a proven track record of exporting high-quality aluminum billets, meeting the highest international standards for quality and consistency.
- **Aluminum Ingot:** Our aluminum ingots are sourced and processed with precision, ensuring they meet the specific requirements of our global clients.

Iron:

- Exporting high-grade Iron (Fe), widely used in construction manufacturing, and industrial applications.

Caustic Soda (Sodium Hydroxide):

- Supplying Caustic Soda (Sodium Hydroxide), a key component used in the chemical, paper, and textile industries, known for its high purity and industrial-grade quality.

Aloe Vera Powder:

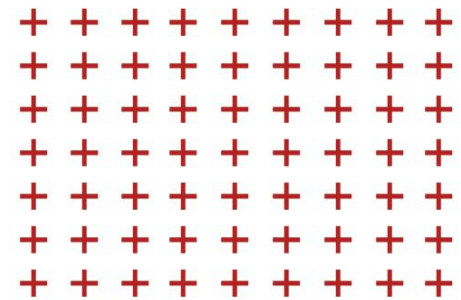

- We export premium aloe vera powder, known for its natural benefits and versatility across various industries, including cosmetics, pharmaceuticals, and food processing.

Plastic Products:

- **Industrial Stretch:** We offer high-quality stretch films designed to provide superior protection and packaging solutions for various industries.
- **Freezer Bags:** Our freezer bags are designed for durability and reliability, ensuring the safe storage of food and other perishable items.
- **Garbage Bags:** We supply sturdy and eco-friendly garbage bags catering to both domestic and industrial needs.

OUR PRODUCT RANGE

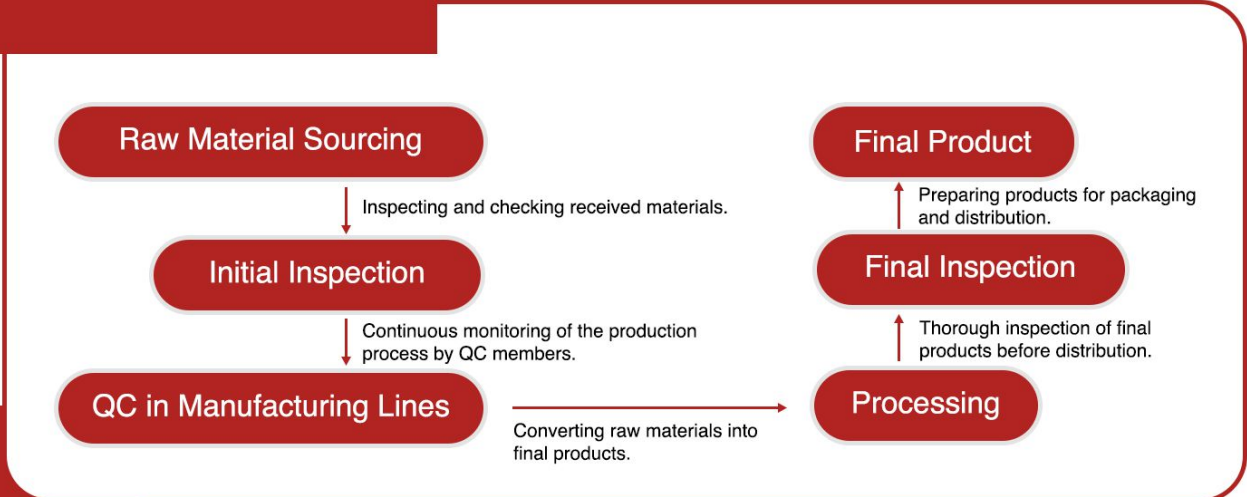

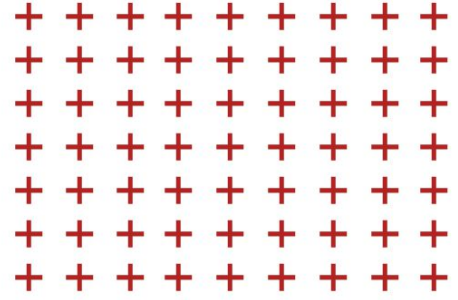

QUALITY ASSURANCE

Quality is at the core of everything we do. We ensure that all our products are sourced from trusted manufacturers and undergo rigorous quality checks before they reach our clients. Our commitment to delivering the best products is reflected in our long-standing relationships with customers across the globe.

TRUSTED SUPPLIERS & LOGESTIC PARTNERSHIP

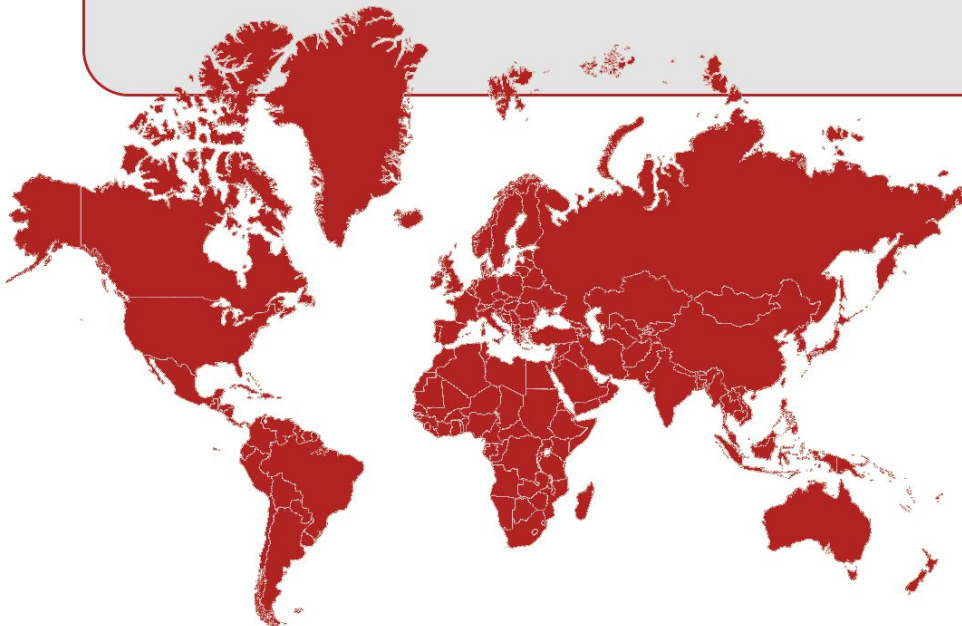

We collaborate with the best manufacturers to ensure the highest quality of our products. Additionally, we maintain a close partnership with a major logistics company operating in the strategic hub of Mersin. This partnership allows us to efficiently manage our operations and logistics, ensuring timely delivery and reliable service to all our customers worldwide.

OUR LOCATION

Our office in Mersin, Turkey, serves as a strategic hub enabling us to efficiently manage logistics and operations for our global clients. Mersin's location, with its proximity to major shipping routes, allows us to offer competitive shipping times and costs.

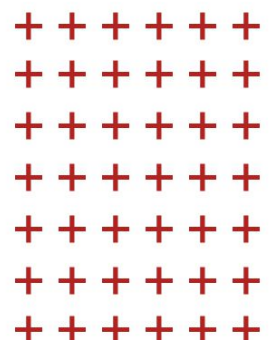

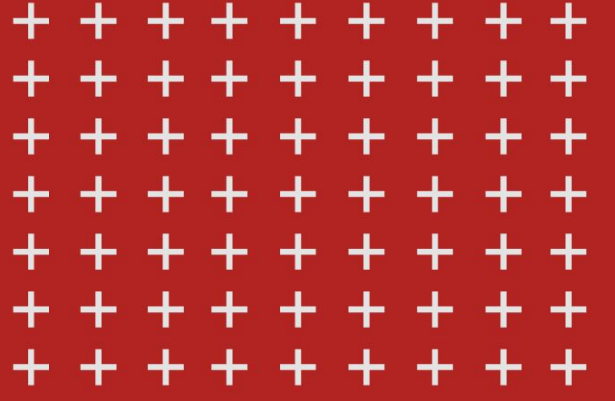

WHY CHOOSE US?

- **Expertise:** Years of experience in the export market, particularly in aluminum and plastic products.
- **Quality:** A commitment to delivering only the best products that meet international standards.
- **Customer-Centric Approach:** We prioritize our customers' needs, offering tailored solutions to meet their specific requirements.

- **Strategic Location:** Based in Mersin, Turkey, a key gateway for trade between Europe, Asia, and the Middle East.
- **Collaboration with Top Manufacturers and a Major Logistics Company:** Ensuring quality products and timely delivery across the globe.
- **Proven Track Record:** Successfully exported tons of aluminum, Iron and Caustic Soda (Sodium Hydroxide) showcasing our capability and reliability.
